

The Book of 2 Thessalonians

Chapter 1

1. Paul starts his letter to the Thessalonians talking about their faith and love for each other. What a beautiful thing to be known for! Do you think people know you for your faith and love? How could you improve your reputation on that subject?
2. Paul talks about the persecutions and trials that they are going through and how it counts them worthy of the kingdom of God (v. 5). Do the trials that we go through excite you for the rest we will get with Jesus in eternity?

Chapter 2

1. Paul brings up a lot of the "signs of the times" in this chapter, what are some of the things in our world today that are proof that Jesus' return is soon?
2. He encourages the Thessalonians to stand fast (v. 15). Sometimes during trials we need to remember to stand fast. How can you stand fast in your faith during trials?

Chapter 3

1. Paul asks them to pray for him that the word of God may spread through him. Take some time to pray for the spiritual leaders in your life.
2. Verse 3 isn't it nice to know that God will keep us from the evil one?
3. Paul gives them practical instructions about work. Are you working hard in all that you do?
